ORDINANCE 1561

Bicycle License Application

Last year the city police responded to over 100 calls for service relating to bicycles lost, found or stolen in the city. Of those bikes recovered less than 10% were returned to an owner. Bikes that are not registered properly make it nearly impossible to determine who the rightful owner is and as such the city is forced to follow the surplus property ordinance. When this occurs bicycles recovered are kept in the police storage and disposed of in accordance with current regulations.

Please help us by registering your bike in accordance with the city ordinance.

The Ordinance States...

No person who resides within this City shall ride or propel a pedalcycle (a vehicle propelled solely by human powered pedals) on any street or upon any public path set aside for the exclusive use of pedalcycles unless such pedalcycle has been licensed and a license decal is attached there-to as provided by the City of Warren.

APPLICANT NAME: _____		DATE: _____
