

**Items not picked up that should
NOT be placed at curb:**

1. Hazardous Waste – Contact DEP at 814-332-6848 for assistance.
2. Tires, Car Parts, or Batteries.
3. Appliances with Freon, TV's, or Electronics.
4. Grass clippings, Leaves, or Yard Waste, Contact City DPW at 723-6300 ext. 120 for information

Collection Tips

- Sprinkle a few drops of ammonia in your trash bag to prevent animals from getting in the bag.
- Package glass or any sharp object carefully. Double, or triple bagging, as well as identification of material is very helpful and can avoid injures.

**CITY OF WARREN
CODE ENFORCEMENT
OFFICE**

**REGULATIONS
FOR
STORAGE
OF
REFUSE**

DUTIES AND RESPONSIBILITIES

It shall be every owner, or person in possession, charge, or control of any dwelling or place of business where refuse is produced and accumulated and of every resident, householder, tenant and person occupying a dwelling, apartment, place of business or other place within the City of Warren:

- **To arrange for a Licensed Contractor / Private Company for collection of refuse.**
- To provide and at all times keep, on his premises, a sufficient number of containers to hold all refuse which may accumulate on the premises during the intervals between collection of same by the collector.
- To keep and maintain all receptacles for the storage of refuse in good and sanitary condition and to replace any such receptacles which may have ragged, or sharp edges, holes or other defects.
- To deposit all refuse which may be produced or accumulated daily on the premises in a proper receptacle.
- To drain garbage of all liquids.
- Keep all receptacles for the storing of refuse securely covered to prevent any of the contents from being scattered about and to prevent the propagation of rats, flies, and other insects, or vermin.

STORAGE ON RESIDENTIAL PROPERTIES

- **Containers:** All refuse accumulated by occupants of dwelling units shall be placed in containers for collection. The containers shall be durable, watertight, and made of rust-resistant galvanized metal or heavy plastic with a tight-fitting lid and two handles. All refuse must be inserted in a plastic bag prior to placing in collection container.
- **Location of Containers:** All refuse containers shall be located in an accessible location near the rear door of the residential building at ground level. The exact location shall be arranged to facilitate removal of the contents by the collector. The access to such location shall be kept clear of snow, ice, and other obstructions which may interfere with collection. The occupant shall “tie off” and securely close the top of the plastic bag to prevent the contents from spilling out prior to collection.
- **Time for Placement:** The occupant may, after 7:00 pm of the evening prior to the day of scheduled pick-up, place refuse at the curb.

STORAGE ON COMMERCIAL PROPERTIES

Storage of refuse on commercial properties shall be in the same types of containers as residential properties.

Containers for collection at commercial properties shall not interfere with public or private sidewalks, walkways, driveways, roads, streets, highways, or entrances and exits of public or private buildings.

SPECIAL CONDITIONS: Items picked up with advanced notice

Arrange pick-up with your Collector prior to putting out furniture, appliances, or other bulk items.

Definition of Refuse:

Household trash other than recyclable items that should be placed in trash bags and should not be heavier than one (1) person can lift.
